Dear Nathan and Greg,

First of all, thank you so much for your support this year.

We absolutely love all of the Body Science products and are confident that they are without a doubt the best on the market. We can't live without the Ecoade, protein bars and Recovery during tournaments now!

We have attached a basic rundown on Team LM for your information. Nathan, it was great to meet you on Wednesday, thank you for your time.

We are excited to give the compressors a try, it sounds like a fantastic new direction.

Thank you again and welcome to Team LM!

Nic & Nat
